Kindergarten Orientation 2024

It's that time of year again; as we do every year, we welcomed a new group of students who will be joining us at BGS in Kindergarten 2024. There were a variety of fun and engaging activities to suit all interests, and this allowed our Kindergarten teachers to see what resources and learning program tasks might best meet the needs of each individual. We started out in the hall and discovered some floor and table activities, then moved into the early childhood playground to explore the equipment. It was a helpful opportunity for each child to start to familiarise themselves with the school grounds and meet some of the staff members they will have to support their journey into big school next year. We are looking forward to seeing you all in Term 1!

Renaye & Sandra, Salome & Anitha

Our new students explore some activities at the table together

Whatarau in the Early Childhood Playground

Alisha floating some toy sea creatures

Mohammed sat and coloured with some textas

Variety Kids Christmas Party

As the holiday season approaches, we enjoyed the joy at the Variety Christmas Party in Sydney. Class Marwaha and Class Ahilleos joined in the festive celebrations that embraced the diversity of our exceptional students at the party. The Variety Christmas Party is an exclusive space where all the students of different abilities come together to share the season's spirit. Our students thoroughly enjoyed the sensory-friendly decorations, inclusive games and music. Most of our students were ecstatic to put on the fireman's hat and be ready for action in a fire truck. The experience of dressing up as a policeman and getting in big cop cars and jet skis made their day. This excursion has provided lasting memories for our students.

Jyoteka

Schools Spectacular

Wednesday, November 22nd, to Saturday, November 25th, six exceptional students from our school, Shaymat, Taake, Samir, Ibby, Alisha, and Jy, showcased their remarkable talent during the Schools Spectacular Week at Qudos Bank Arena. Guided by our dedicated staff—Frances, Cassandra, and Nicky - the stage came alive with their performances.

The students were very excited that Jo, Rekha, and the students from classes Finn and Christenson attended. Their enthusiastic presence added warmth and camaraderie. In the spotlight, our students, part of the D'Arts ensemble, danced to the rhythm of "Gold" by Guy Sebastian, not just displaying skill but embodying leadership qualities, standing out among the many talents at the Schools Spectacular.

A sincere thank you to the families of our participating students—your unwavering support, from encouraging participation to attending performances and patiently picking up your child late into the evening, made our participation in the Schools Spectacular possible.

To everyone who contributed, thank you for making the Schools Spectacular Week a resounding success; your support and enthusiasm are the driving forces behind these unforgettable moments in the life of our school.

Frances, Cassandra & Nicky

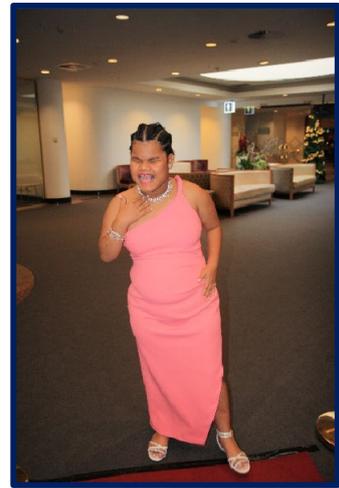

Year 12 Formal

We gathered on Friday 8th December to bid farewell to our esteemed Year 12 graduates of 2023, and we reflected on the immeasurable impact they have had on our school community. These individuals have been the heartbeat of BGS, infusing our halls with their presence, enthusiasm, and an unwavering passion for learning. It was a bittersweet moment as we celebrated their achievements while bidding adieu to the laughter, curiosity, and positive energy they brought to our school. The Class of 2023, you stand before a new chapter in your lives, and we are confident that the education, values, and experiences garnered at BGS have equipped you with a comprehensive toolkit for success. Your hard work, dedication, and resilience have not only earned you accolades but have also laid a solid foundation for the challenges and opportunities that await you.

Congratulations, Class of 2023! Here's to the incredible journey that lies ahead for each and every one of you!

Year 12 Graduates 2023

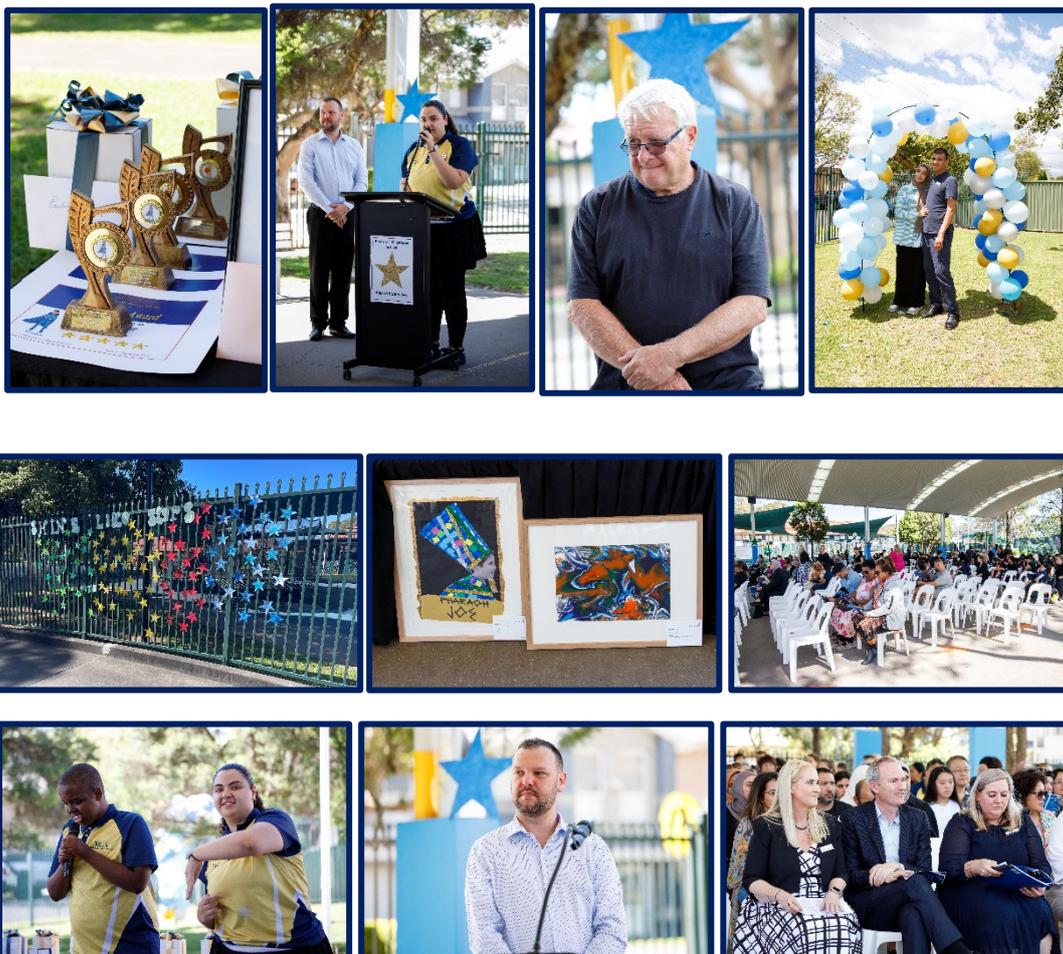

Presentation Day

We celebrated with pride and joy, as we reflected on the remarkable successes of the past year at BGS Annual Presentation Day. From achieving strategic goals to celebrating personal bests of our students, our journey has been nothing short of extraordinary, thanks to the unwavering support of our dedicated staff, parents, and community.

We must acknowledge with gratitude Frances De-Bourbon, Assistant Principal and the incredible team she led, whose dedication made this Annual Presentation Day a resounding success. Special thanks to Karyn from Photogenic Memories for capturing unforgettable moments that will be cherished by our community. Our success is a collective effort, underscored by the robust support of organisations like the Shore Boys Community Program, Revesby Workers, Rotary Padstow, Kiwanis International, Bakers Mansion, Catholic Care, and DSA and Gift of Bread. Their generous contributions have provided our students with exceptional opportunities, leaving a lasting impact on their lives.

To our supporters, your belief in our mission and commitment to our students' education have made all the difference. The day reminded us that together, we are shaping future leaders and contributors to society.

Fun Day

As the school year drew to a close, our school community came together on Wednesday 13th December for an extraordinary End of Year Fun Day, marking the conclusion of a thrilling and bustling academic journey. The event featured a diverse range of attractions, ensuring there was something for everyone to enjoy. From bouncing on the inflatables to grooving on the dance floor at the disco, the day was filled with joyous moments.

One of the highlights was the Kindifarm, where families had the opportunity to interact with a delightful array of animals, including chickens, lambs, goats, rabbits, guinea pigs, and ducks. Our local heroes, the police officers and firefighters, were on hand to engage with the community. Families explored their vehicles, gaining insight into the vital work these heroes do for our safety.

Carnival Food options such as slushies, sno cones, ice cream parlour, and fairy floss were savored by all. The BBQ added a savory touch to the festivities, leaving everyone satisfied.

Thank you to Kiwanis Australia for volunteering to cook the delicious BBQ and Karyn and Anais from Photographic Memories for another beautiful job capturing these memories.

Fun Day Organising Committee

Principal's message

And just like that, it's a wrap and we bid farewell to another school year, the year that was 2023!

Celebrating Student Achievements:

First and foremost, I send a heartfelt congratulations to our remarkable students. Their dedication and perseverance have shone brightly, setting personal bests and achieving new heights. The Year 12 graduating class, you've completed an incredible journey, and we believe in your potential to shine brightly in your future adventures. I wish Taake, Anikan, Shaymatt, Damien, Hamoudi, Jerry, Alessandro, Ali, Rani, Serin and Umar all the best, you have left a mark on our school. The formal was a highlight marking a celebration for their 13 years of school. It was a great night with over 90 guests in attendance.

To our Year 6 students transitioning to high school, embrace this exciting journey into young adulthood with enthusiasm, I look forward to all your wonderful achievements throughout your high school career.

Acknowledging Exceptional Staff and Parents:

A special mention goes to our exceptional staff and the outstanding executive team. Your unwavering dedication and commitment are the driving forces behind our success. A heartfelt thank you to the parents for your invaluable partnership in your child's learning journey across 2023.

Community Support and Achievements:

Our success wouldn't be possible without the incredible support of our community partners. Organisations like Shore Boys Community Program, Revesby Workers, Rotary Padstow, Kiwanis International, Bakers Mansion, Catholic Care, DSA, and Gift of Bread have made lasting impacts on our students' lives. Thank you!

This year has been nothing short of amazing, with ambitious strategic goals not only reached but exceeded, thanks to the dedication, hard work, and commitment of our staff.

Recognising Outstanding Achievements:

A special acknowledgment goes to our Data Assessment Team for ensuring a safe and positive learning environment through their exceptional tracking of behavior data. The Literacy and Numeracy Strategic Direction team also deserves recognition for their ongoing work in creating an authentic assessment tool. Strategic Direction 3, setting high expectations and community engagement, identified teacher leaders in the school and worked with them on setting targets for continued growth and high expectations and also set sights on bringing the community closer together.

Commitment to Student Wellbeing:

Our commitment to student wellbeing through PDHPE initiatives has yielded impressive gains. Programs like Positive Behaviour for Learning (PBL), Zones of Regulation, Smiling Minds, Trauma Restorative Yoga, and Fundamental Movement Skills have become universal, leading to improved student outcomes and fostering a positive school culture.

Curriculum Reforms and Achievements:

Significant curriculum reforms led by Thy Nguyen have made learning and teaching more meaningful and effective. Dedicated teachers upskilled in new syllabuses, benefiting student learning.

Community Enhancements and Upgrades:

We've seen significant improvements, including a sensory garden upgrade and upgrades to our top playground area. Excitingly, an all-inclusive play equipment installation in early 2024, worth approximately \$150,000, will further enrich our students' play experiences.

Creative Arts Programs and Community Contributions:

Heartfelt thanks to the BGS Citizen Committee for supporting our Creative Arts Programs, providing students with opportunities to shine in programs like School Spectacular and Shining Stars. Their funding of a qualified music teacher, Marnie Fairlie, has enriched our students' lives through the power of music.

P&C's Generosity:

A big thank you to the Parents and Citizens Association (P&C) for generously funding an additional School Learning Support Officer (SLSO). This support has enhanced our personal development programs and moved our students closer to independence in important life skills. The P&C also donated funds to support BGS' Fun Day!

Looking Ahead with Gratitude:

As we celebrate the successes of the past year, let's look forward to the promising future together. United as a school community, we'll continue to inspire, educate, and empower our students.

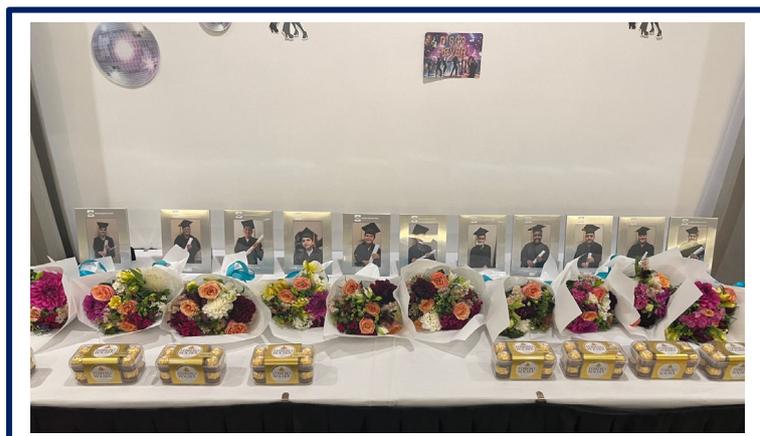

Thank you for your ongoing support and commitment to our school. We are truly fortunate to have such an exceptional community, and I am excited to see what we can achieve together next year.

May the coming year be filled with even greater success and joy for us all.

Warm regards

LaAnne Gardiner

Dates for your Diary

- School Concludes for Term 4 2023 – Friday 15th December 2023
- Staff Development Days Term 1 2024 – Tuesday 30th & Wednesday 31st January
- School Resumes for Term 1 2024 for students – Thursday February 1st

Birthdays

HAPPY
BIRTHDAY

Happy birthday to those students and staff who have celebrated their birthdays since the last newsletter and those with upcoming birthdays in the holidays.

Students: Ibrahim H, Anikan, Ibrahim A, Jimmy, Meena, Jacinta, Maliha, Maleik

Staff: D'Anne and Marnie

News from the classroom

Class Ahilleos

Students in Class Ahilleos have been finishing off the year with a bang! We have been engaged in a range of events both inside and outside of school.

Our class had our very first excursion at the Variety Kids Christmas Party in Darling Harbour. This was an exciting day full of adventure, activities and fun. Students had fun petting the farm animals at the petting zoo, enjoying a variety of fun rides and exploring the equipment of our community helpers. We also had our Presentation Day for the year 2023 and each student played a special role during Presentation Day.

As the year comes to a close, we want to express our heartfelt thanks to every one of you in 2023. Your efforts, enthusiasm, and teamwork have made our classroom a special place to learn and grow. Wishing you all a wonderful break, filled with joy and laughter, and looking forward to another year of exciting discoveries. Thank you for making this class truly fantastic!

Christie & Deb

Maliha watching the teacup ride

Cooper having fun playing on the merry-go-round ride

Isaac having a great time trying on police protective gear

Aliya having fun at the petting zoo

Class Akuete

Class Akuete students have had a great term with lots of exciting activities. They participated in different activities to develop their skills. In Geography, they investigated the concept of recycling where they learned about recyclable items and the effects of recycling on our planet. They watched videos that displayed how the machines were used to process recyclable materials at the recycling processing centre. The students learned to sort items into three categories, food scraps, paper, and garden waste with staff supporting the recognition of what each item was made of with verbal and gestural prompts.

Students participated in learning about the importance of Remembrance Day by making wreaths and painting them with red and green paint. These wreaths were placed at the allocated place during our Remembrance Day ceremony. We stood for a minute's silence to honour those that have fallen in defense of our country. It was lovely to see the entire school gather for this occasion. We are looking forward to a well-deserved holiday with our families.

Adeolu, Aiki & Rania

Manny made a wreath in preparation for Remembrance Day

Aboudy made a wreath in preparation for Remembrance Day

Kenny learned to dispose of recycled items

Caroline learned to dispose of recycled items

Class Christenson

Sadly, for the staff of Class Christenson we have finished our journey with our Year 12 graduates. What a journey it has been, with many highs and many more even greater highs, this class was as inspiring as they come. The resilience displayed by students was second to none, the barriers they worked through to become the fine young gentlemen and women that they are is testament to their dedication through 13 years of schooling. We are privileged to have played a small part in these students lives and have learnt more from them and their tenacity than we could have ever imagined.

It is with great pride that we farewell our class of 2023, and wish them the best in their journey beyond, we are confident you will smash it as you smashed your time at school. Congratulations Class Christenson, you will be greatly missed.

Jake & Raj

Umar at the formal

Hamoudi and Anikan at the formal

Damian at the school formal

Shaymat at the formal

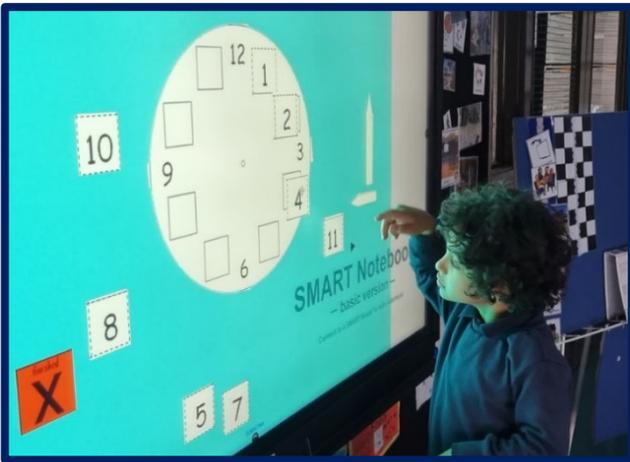

Class Daughton

Can you believe that 2023 is nearly all done? Where did the time go?! Class Daughton has been powering through their final weeks of learning activities and impressing their teachers with what they have achieved, and we have celebrated our students through our annual Presentation Day.

In English, students have worked to consolidate their knowledge of phonics and tricky or sight words through revision activities, and they have explored a range of stories to express their knowledge of emotions and the Zones of Regulation program. They are learning to apply these concepts to themselves and others, and have learned about many feelings such as worry, fear and boredom.

In mathematics the students have been learning about analogue time, investigating perimeter and area and repeating patterns through a range of hands-on activities and all have made progress in their understanding of these key learning concepts – as well as having fun in the process. To all our students and families, we thank you for your support throughout the year and we wish you a happy and safe holiday break. See you back in 2024!

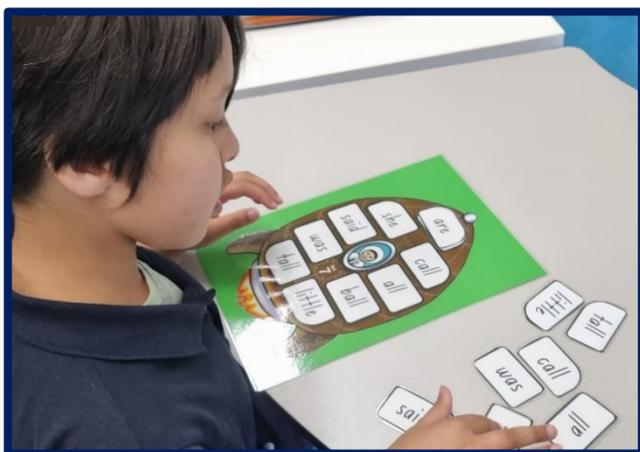

Renaye & Simone

Anthony placing the numbers in the correct positions on an analogue clock face

Ian making an ABC pattern from unifix cubes

Nehan matches and identifies some 'tricky' words

Hayley moving the hands of a clock to form a time

Class Do

Suddenly it is the end of the term and we now look back at the amazing memories we have made. It was great to see students enjoying and participating in their learning and activities in the classroom.

Class Do has been making a variety of artworks in class, such as the wreath for Remembrance Day and posters for science lessons. Students enjoyed participating in painting lessons as they were able to paint the wreath using red paint and chose different colours for their rocket, robot and space posters. Students in Class Do have continued to enjoy participating in swimming sessions every Friday as they increase their confidence in the water.

Class Do had an amazing year and it was great to see the support from parents and carers throughout the year. Ommay, Tan and I wish everyone a wonderful and safe holiday and all the best for next year!

Johnson, Ommay & Tan

Brian painting a wreath

Hussain painting a wreath

Maleik painting a wreath

Jacob enjoying the water

Class Finn

Class Finn delved further into our exploration of volcanoes by creating a class papier-mâché volcano. Initially hesitant to get our hands dirty, all students eventually embraced the project with confidence.

Additionally, Class Finn enjoyed an excursion to Flip Out Revesby, where every student had the opportunities to immerse themselves in the various offerings. From trampolines and obstacle courses to vending machines, a motorcycle machine, climbing equipment and a large slide. They also practiced safe movement travelling up and down on an escalator, ensuring they held onto the belt throughout the entire transition.

A big congratulations to all Class Finn students for accomplishing their personalised learning goals and showcasing their amazing selves. Bron and I extend our best wishes for a joyful and relaxing holiday, and we look forward to seeing everyone in the new year.

Rebecca & Bronwyn

Soli safely using the escalator

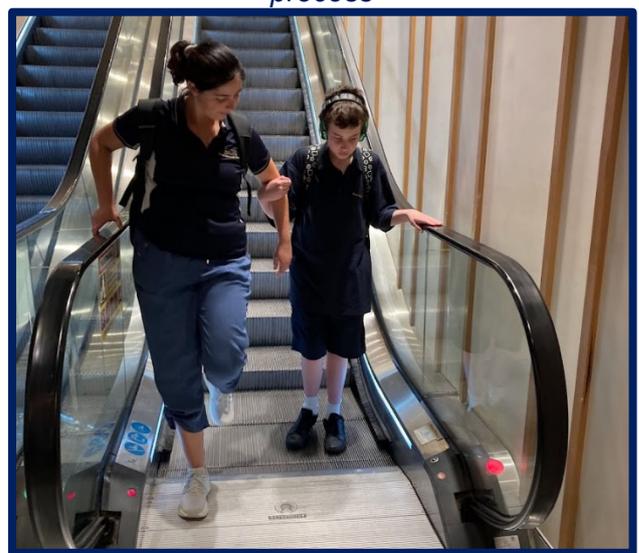

Hamoudi starting the volcano papier-mâché process

Ibbby engaged in making the volcano with papier-mâché

Jordan safely using the escalator

Class Gill

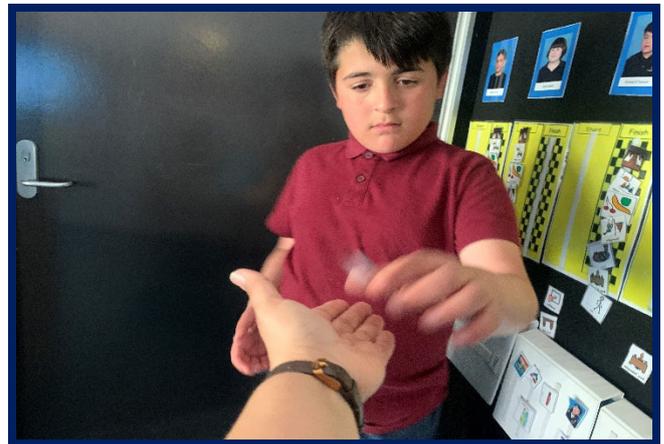

What a remarkable conclusion to Term Four in the year 2023! Our students have truly embraced a year filled with both enjoyment and valuable learning experiences. They successfully met their Personalized Learning Goals and demonstrated outstanding dedication to mastering various Key Learning Areas (KLAs). Students of Class Gill have developed many skills throughout the year such as fine and gross motor skills. They have increased engagement in the classroom activities and progressed in so many ways since January 2023. A shining moment for our students was their enthusiastic participation in Presentation Day, where they proudly showcased their best efforts. In the realm of Literacy, the focus on Julia Donaldson's "Stick Man" allowed students to hone their comprehension skills. Meanwhile, Science and Technology lessons delved into the fascinating world of space exploration. In Creative Arts, students actively contributed in crafting a Remembrance Day wreath and creating stars for Presentation Day, highlighting their artistic talents. Looking ahead to 2024, we extend our heartfelt wishes for continued success and fulfillment. May the upcoming year bring even more opportunities for learning, creativity, and joy.

Wishing everyone a joyous and safe holiday season!

Bhupinder & Anitha

Lucia was engaged in the numeracy activities

Ahmad communicating with PECS to request his preferred item

Ahmed engaged in making wreath for Remembrance Day

Ruby made a stick man out of sticks from the sensory garden

Class Hadlow

We cannot believe that the year is drawing to a close and holidays are right around the corner! Our community access has been a massive success this year. We have enjoyed days out all around the city and it has helped us to negotiate the complexities of the public transport system with increasing confidence and independence.

Presentation Day was a huge triumph, with all our hard work and practice paying off with some wonderful performances from the Signing Choir, dance group and band. Thank you to all of the teachers who helped us get ready for what was a great day. We were super proud of our class for their participation throughout.

Thank you to our wonderful boys and their families. It has been a pleasure and a privilege to have you all in our class. For our year 11 families, we can't wait to see what the adventure that is year 12 will bring.

For our graduating families, we wish you all the very best for what awaits outside the school gates. We know that you will be fantastic and shine like the stars that you truly are!

Thank you!

Steve & Cass

Enjoying a day out at the movies

We love our fruit and are happy to share

Congratulations Alessandro

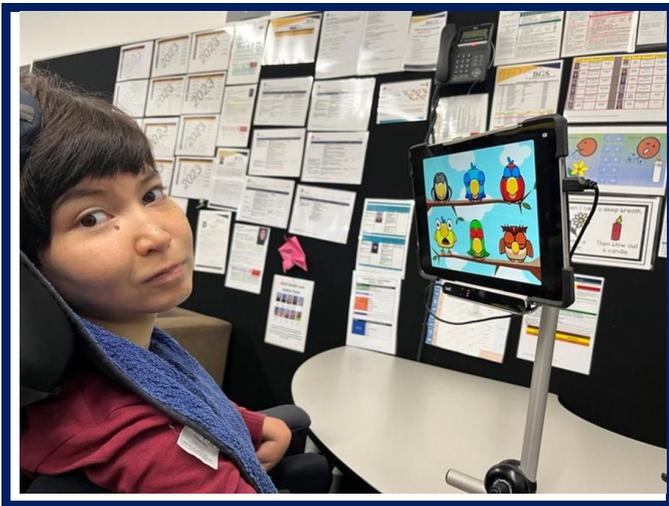

Congratulations Rani

Class Herzen

Wow, what a year! We all can't believe how quickly it has gone, despite how much we have packed into it! Regardless of how tired we all are, Class Herzen have still finished strong, topping off a year that saw our students continue to go from strength to strength. The latter half of the term has seen us commemorate Remembrance Day during Broderick Gillawarna School's annual ceremony. Our students created poppies and wreaths, as well as laid them at the foot of the flagpole as 'The Last Post' was played. Term Four also saw us take part in one of the most exciting days in our school calendar – Presentation Day! We have been hard at work this term putting together decorations. We hope you enjoyed our artworks and found your child's one!

To all our students, we wish to express how much of an honour it was to teach each one of you and to have the pleasure to continue to watch you grow into mature and wonderful people. You will all be truly missed. Please have a good break and we wish you all the best next year!

Marc & Thoria

Meena using the eye gaze tablet.

Olivia being creative.

Ibrahim making some noise in music.

Ibrahim working with Sofia in preparation for next year.

Class Marwaha

As we bid farewell to another incredible school year, we celebrate our achievements and reflect on the remarkable journey we have shared in Class Marwaha. Our students have been consistently empowering themselves to continue implementing the learnings of their personalised learning goals in different school and home environments.

Our students learnt a new skill in the creative arts of pouring acrylic on a canvas to create unique art pieces to take home at the end of the year. They primed the canvas, thinned the paints of their choice, and mixed and poured them in unique styles to create intricate pieces.

Our students also visited the Variety Christmas Party in Sydney city this term to enjoy the festive celebrations with our community. We marked Remembrance Day on 11th November by creating a wreath and participated in the special assembly to mark the occasion. We are very proud of our students' hard work this year and wish them a happy and safe holiday.

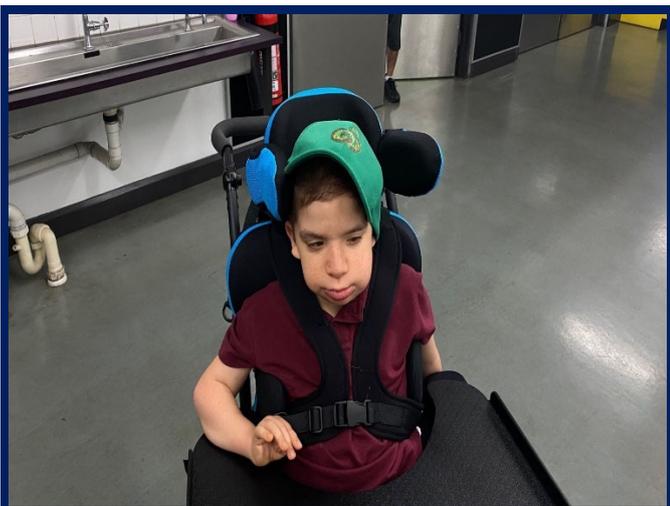

Jyoteka & Karen

Ibrahim creating acrylic pour painting

Kendrick painting poppies for the wreath

Cooper getting ready to serve at Crunch&Sip

Ali and Zak enjoying the Variety Christmas Party

Class Naboulsi

Wow! What an incredibly busy last few weeks of term it has been! As the year draws to an end, we reflect on and recognise all the wonderful progress our student have made. Students in Class Naboulsi have achieved their personalised learning goals.

In Creative Arts, our students actively engaged in commemorating Remembrance Day by making poppies and placing a wreath in a designated area. They gained insights into the significance of the day, observing a minute's silence to pay honour to those who made sacrifices for our country. Class Naboulsi students also painted stars and decorated them for Presentation Day. Presentation Day was a great success where our students' achievements took centre stage. From the amazing performances of the choir, band, and dance group to the announcement of next year's Year 6 Captains, Bani and Joshua—congratulations to both! Our heartfelt thanks go out to all families for contributing to a wonderful year. As the year comes to a close we wish everyone a safe, joyful and thoroughly deserved holiday season.

Amina & Sandra

Luke happily displayed his poppy

Issa painted a poppy made from his hand imprint

Alhussin decorated stars with glitter

Bani proudly displays her trophies

Class Nanda

As we approach the year's end, we reflect on the remarkable progress and dedicated efforts of our students, in learning new concepts and skills. Witnessing the growth of social and communication skills in students like Alisha and Jy was truly rewarding, especially as they showcased their talents in the Schools Spectacular. Alexander, and Cael, demonstrated commendable improvement in developing self-regulation skills, sharing, and collaborating within their peer group. Cael's independent crafting showcased his creativity. Aaliyah fostered new connections, initiated friendships with students from other classes and joined group activities. It has been a joyous journey alongside the students of Nanda class, and we express our heartfelt gratitude to the incredible parents for their unwavering support throughout the year. As we bid farewell to 2023, we send warm wishes for a festive season filled with joy and a safe, wonderful holiday.

Rekha & MD

Students working together, painting poppies for Remembrance Day, and decorating the Christmas tree

Students conducting a science experiment, How liquid cream and milk turn into solid ice cream. Alex and Cael with MD on Presentation Day

Cael, making a church, and Aaliyah, with her new friend in the playground.

Class Peterson/Howard

Wow... What an amazing year we had here in Class Peterson Howard. Everyone worked so hard throughout the year with their learning and working towards their PLP goals and we are so incredibly proud to have been able to share in all our students' successes this year.

It has been an absolute pleasure to watch as each student developed their confidence towards their academic, social and emotional learning this year.

We would like to thank all our families for your continued support this year and wish you all a very happy, safe, and restful holiday period and we look forward to seeing you all back in 2024.

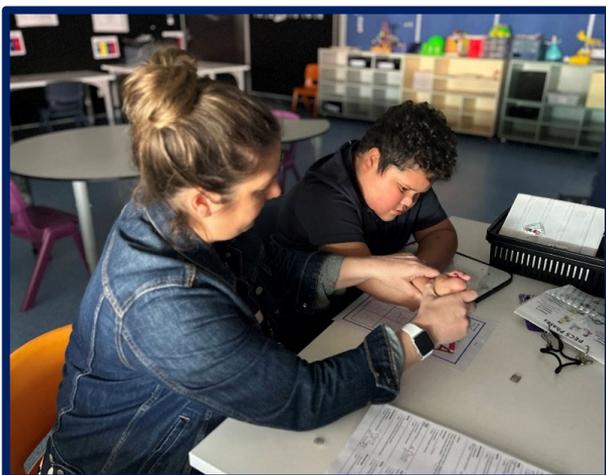

Melanie, Erin & Sumi

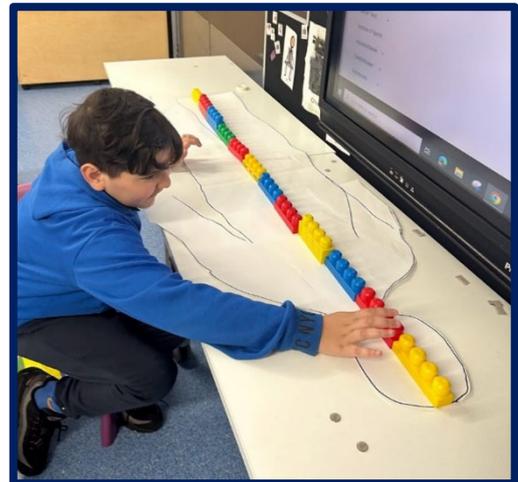

Jacinta made huge progress this year in her confidence whilst swimming

William completed number activities on the iPad during mathematics

Noah worked hard to complete literacy activities with Ms Angie

Ali used large Lego blocks to measure the length of his body.

Class Scalici

What a year it has been! Class Scalici has every reason to be proud of all the achievements we've made this year! We've seen so much progress from each member of the class, and I'm sure there is to be much more from us in the coming years.

Asides from rounding out our learning on a high note, Class Scalici had the pleasure in taking part in both Presentation Day and Broderick Gillawarna School's Fun Day.

Presentation Day saw us celebrating the achievement of our Personalised Learning Plan goals, with every student receiving an award to commemorate this momentous event. We hope you are all proud of us!

During Fun Day celebrations, we were able to take part in numerous activities such as jumping castles, interacting with animals in our petting zoo, and riding a train around the school. We had such a great time!

From Sonya, Gwen and I, it was an absolute pleasure teaching you all, and we wish you all the best for the next year. Please have a restful and well-earned break!

Frank, Gwen & Sonya

Adam conducting experiments with ice to learn about solids and liquids

Jimmy using a bottle and coloured water to learn about condensation and rain

Farah making poppies to commemorate Remembrance Day

Bradley playing with a shaker during music lessons with Ms Marnie

Class Suarez

Wow, how time flies when you are having fun. This school year is almost over, and most students are ready for a break. The students in Class Suarez have matured and learnt so much, become more confident in accomplishing their set tasks and in following the class routine. In our time together, the students have learned how to sit in a circle, walk in a line, hold a pencil, and be part of a group. They have accomplished so much such as learning to take care of their personal belongings by unpacking and packing up their lunch boxes, and developing positive relationships with staff and peers. Each one has brought such joy and happiness to our classroom. Their smiles, laughter, and sometimes crying. Not all of our days were easy, but most of our days were filled with learning, excitement, and happiness. They gave us lots of hugs and high-fives during our morning circle activities and that is something that we will always remember. To all the parents, we say 'thank you' for allowing us to be part of your child's education. It has been a wonderful and rewarding year for us. It has made learning so much fun. A BIG thank you to all the families and wishing you all a safe and happy holiday.

Salome & Tasha

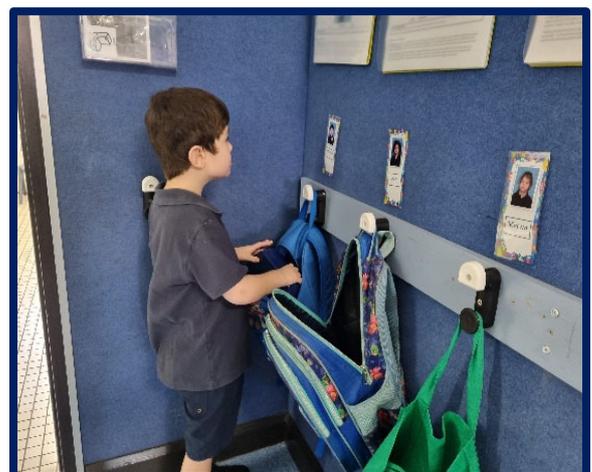

Students participating in the morning circle activity

Marwa independently traced her name

Shayan placed his lunch bag and water bottle on his table getting ready for mealtimes

Christian packed up his lunch box in his bag

Class Vasilevska

As we approach the end of another remarkable year, it is with immense pride and joy that we reflect on the incredible journey we have shared at Broderick Gillawarna School. This year has been filled with heartwarming moments, academic accomplishments, and a strong sense of unity within our community.

Our class demonstrated commendable participation at the Presentation Day ceremony. We were pleased with the performances from the Signing Choir, dance group, and band and congratulate all the students who received an award.

We eagerly anticipate the opportunities and challenges that the new year will bring. With a strong foundation of community, collaboration, and commitment to excellence, we are confident that the coming year will be filled with even greater achievements and moments of pride.

May the holiday season bring you moments of joy, laughter, and precious time spent with loved ones.
