## **TERM TWO INFORMATION**

Dear Parents and Carers,

We hope you all have had a safe term break. During this time our teachers have continued to work and plan for Term two quality teaching and learning.

As announced this week by the Premier of New South Wales (NSW) and the NSW Department of Education, schools will return for Term two with the same arrangements as at the end of Term one. Remote learning will continue until week three.

Parents and carers are encouraged to keep their children at home in week one and week two to continue their learning at home. The school will remain open for our essential workers children and those that attend site will be supervised. All students will access their learning remotely, online, planned and supported by their teachers.

From week three, (May 11<sup>th</sup>) students will begin attending site, one day a week and the school will be in contact with you to advise you which day your child is scheduled to attend.

All schools will engage in two Staff Development Days (SDDs) on Monday 27<sup>th</sup> April and Tuesday 28<sup>th</sup> April confirmed by the NSW Department of Education to support organisation and planning for the term. This will mean that the first day for all students for Term two is Wednesday 29<sup>th</sup> April, 2020. All students will begin their remote learning program on Wednesday.
